**AMENDMENT AND RESPONSE TO
OFFICE ACTION DATED SEPTEMBER 17, 2008
ACCOMPANYING RCE**

Dear Sir:

These amendments and arguments are filed together with an RCE. The arguments are very similar to those presented in the prior response, which was filed by applicant on December 9, 2008, and the amendments are identical. However, the amendments contained in the prior response were presumably not entered since applicant filed a Notice of Appeal and Appeal Brief on the same day. By filing this RCE, applicant has effectively withdrawn the appeal, and thus, applicant now requests that these amendments be entered once and considered.

This response of applicant to the rejection of claims by the Examiner in the Office Action dated September 17, 2008, includes:

- a complete listing of CLAIMS including AMENDMENTS beginning on page 33, and
- REMARKS beginning on page 2.
